

**Come Support the 2023 Greater Portland Area
For the Pacific NW Glass Guild Open Studio Tour!
September 30th-October 1st (Saturday-Sunday) 11am-5pm**

The Map **locations and artist info** is on the back side of this flyer. There will also be yard signs to guide you as you get closer.

Come and visit the actual studios where glass artists work and see the extensive tools and materials they use to make glass art. Some studios will have demonstrations and/or opportunities to create.

Glass art comes in many forms and through extremely varied processes and techniques each artist adds their own personal touch. The studios will have lots of glass art for sale and some studios will even have small projects you can try!

Your name: _____ Phone: _____

Your mailing address: _____

Your email address: _____

(Studio no. & Host's Initials) (6 Artist Signatures / at least one from each of 4 locations)
